## Court of Appeals Upholds Validity of the Registration Certificate Law

Frankfort, Ky., Oct. 5.—The Court of Appeals today upheld the validity of the act of the General Assembly providing for the issuing of registration certificates to voters, and the extension of registration to all incorporated towns in the Commonwealth.

The opinion was delivered by Judge Settle, the whole court concurring in the question and concurring.

The question came before the court here on an appeal from the Kenton Circuit in a case of J. C. B. Yates against J. D. Collins, W. H. Mackay, et al., as special judges for the case and held the act to be unconstitutional, and the opinion of today is a reversal of that judgment.

The court says: "That the act is in several respects defective must be conceded, but the defects are such as may be corrected by future legislation, and being of the opinion that the act is neither unreasonable nor violative of the provisions of the Constitution it is our duty to uphold its validity."

The opinion of the court was withdrawn after being handed down in order to give Judge Settle opportunity to make two additions to it. These additions are to meet the queries put to the number of signatures required to the certificate of registration, and the issuing of certificates after regular registration day by the County Clerk. The court holds that all officers of registration must sign the certificate and that the County Clerk may register on the regular day for doing so.

Louisville made an excellent showing," said Mr. Watkins yesterday afternoon. "and the people who visited the fair were favorably impressed with the Louisville Day event. I think the undertaking was well worth the effort. I believe that the city will reap advantages from the advertising she received on that day."

From 1,500 to 2,000 Louisville and Kentucky people were present on the

No One But Yourself if You Don't Get Well When Sick.

All we can do is give advice. Of course that's easy. But our advice is really worth a little more to you than most people's, for we offer to give you the first bottle of our medicine free, if it fails to help you. We could not afford to do this unless our medicine was good. Such an offer, on the wrong kind of medicine, would put a merchant prince in the poor house. Dr. Miles' Nervine, however, as years of experience have proved, is a medicine that cures the sick.

Those whom it cannot benefit—less than one in ten thousand—we prefer to refund their money.

All we ask of you is to try Dr. Miles' Restorative Nervine for your complaint. If you suffer from sleeplessness, nervous exhaustion, dizziness, headache, muscular twitchings, melancholy, loss of memory, weak stomach, poor blood, bilious troubles, epilepsy, St. Vitus' Dance, etc., we will guarantee to benefit you or refund your money.

You are the doctor.

"My son Bert, when in his 17th year, became subject to attacks of epilepsy, so serious that we were compelled to take him out of school. ## A REPORTER'S STORY

Of Fine Passenger Trains Being Run

By Pere Marquette

At St. Louis, Mo., Sept. 4, 1904, Pere Marquette are now running passenger trains between Cincinnati, Toledo and Detroit, which they confidently believe to be the finest complete trains in this country. An Engineer, reporter who rode on one of these trains on its first trip from Detroit to Cincinnati Sept. 4th, 1904, describes it as follows:

The train consists of a combination baggage-car and smoker, a ladies' coach, combination coach and dining car, and a parlor car. The parlor car, which is lighted with a myriad of electric bulbs, was resplendent and fascinating in the highest degree. Every one of the cars except the baggage and the smoker, which is of Flemish oak with rattan high back seats, is finished in mahogany. Even the combination car at the head of the train is provided with a lavatory with nickel-plated washstand. It will seat 14 people. The ladies' coach seats 88 people, and has high-back, rolled-top plush seats. A novelty which excited admiration is the coach and diner in one, there being seats for 50, although a spacious kitchen is located in the center with four tables in the rear of the kitchen. But the triumph of modern car building is shown in the parlor car, which is said to be the handsomest ever turned out in the Pullman shops. The mahogany finish is made more effective by the olive green revolving chairs.

The smoking room is the most commodious ever seen on any train entering here. It is so constructed that it is absolutely private from the rest of the car and has accommodations for 11 lovers of the weed at one time. At the rear of this car is a plate glass observation platform. In honor of the inaugural of the new service every car was decorated with festoons of smilax, caught up by clusters of asters and roses. The beautiful moving palace has wide vestibules and each car has its own electrical apparatus for lighting in addition to the Pintsch gas system.

In sunshine or rain, in pleasure or pain The one you loved best was your mother.

A private waterworks system has been installed at the planing mill, lumber sheds and coal office of Gregory & Co., on Murray avenue. ## BRECKENRIDGE COUNTY CROPS AND STOCKS.

Corn is an average crop, especially early corn. Late corn and tobacco has suffered on account of dry weather—more than other crops.

Tobacco cutting has been retarded on account of damp, cloudy weather. Most that was cut was on scaffolds when rain came.

But little wheat ground has been broken. Some are breaking now, while others will sow corn land.

There were many peaches in the county, but the apple crop will be light.

Stock is moving slowly. There are some good, young mules and but few have been sold. Mr. H. S. English, Jr., of Ammons, Ky., bought five weaning mare mules at an average of \$50. They were an extra lot of mules.

There is a good demand for good feeding hogs; this class being scarce.

Horses and mules are not selling readily and cattle can be bought at most any price.

There are some nice cattle in this county and they are in good condition.

Notwithstanding the low prices of stock and dry weather, we have many things for which to be thankful, and if we are economical with the products nature has given us, we may see another spring without suffering any privations.

I forgot to mention the potato crop, which is generally a good one.

We will have better roads this winter than we had last, and progress along many lines has been made.—R. S. O., of Glendean, in Farmers Home Journal.

**One Of Many.**

H. A. Tisdale, of Summertown, S. C., suffered for twenty years with the Piles. Specialists were employed and many remedies used but relief and permanent good was found only in the use of DeWitt's Witch Hazel Salve. This is only one of the many, many cures that have been effected by this wonderful remedy. In buying Witch Hazel Salve it is only necessary to see that you get the genuine DeWitt's, made by E. C. DeWitt & Co., in Chicago, and a cure is certain. DeWitt's Witch Hazel Salve cures all kinds of piles, cuts, burns, bruises, eczema, tetter, ringworm, skin diseases, etc. Sold by All Druggists.

**IN COURT OF APPEALS.**

Lezinsky vs. Legrand; Smart & Co. vs. Breckenridge Bank, Breckenridge; appellants in each case given thirty days' additional time to file briefs.

FIELD MARSHAL MARQUIS OYAMA, IN COMMAND OF THE JAPANESE FORCES IN THE FIELD.

Field Marshal the Marquis Oyama, in command of all the Japanese forces in the field, has directed the campaigns against Port Arthur, Liaoyang and Mukden and now against Harbin in such a masterly manner that his name will go down in military history as one of the greatest strategists of modern times. Oyama learned his lesson in the Chino-Japanese war, in which he commanded the army which captured Port Arthur. Oyama is badly pockmarked.

**AT FAIR THREE WEEKS.**

Lieut. David Murray, Jr., returned Friday morning from St. Louis, where he attended the World's Fair for about three weeks. He was on detached service as quartermaster's assistant, for about a week, while the Second regiment of State militia was in camp in the World's Fair grounds. During the remainder of his stay he was a guest of officers of the First regiment, on whose train he returned Friday morning.

**SOLDIERS RETURN.**

The Louisville Legion, or First regiment of State militia, returned to Louisville last Friday on a long special train over the Henderson Route, after being in camp about a week on the World's Fair grounds at St. Louis. The train passed through Cloverport about 7 o'clock Friday morning. The Louisville soldier boys were about 500 strong at the fair and had a great time. They were shown special honors and were the envy of many other military bodies on the grounds. Their fine showing on dress parade and in practice drills elicited the admiration and applause of distinguished military men in attendance at the exposition.
